upality.

No person shall wolfully or negligently —

(a) Remove breake injure or open any locks Cock valve or pipe work belonging to the municipal water works

(b) Flush or draw off any water in or derived from any such water works or do any act as a result of which the water in any pipe or water work is likely to be washed or contaminated, or

(c) obstruct divert or in any way injure or alter any water main or duct

2. The water supplied by the municipality is intended primarily for domestic use and therefore water from a public stand post or tap shall not be for Garden irrigation or for building purpose In later case the previous Sanction in writing of the President of municipal Council should be obtained on such payment and under such conditions as may be settled by him

3 No person shall take or wash his body or that of any animal clothes or utensils at any public stand post or tap which is not specially set apart for the said purposes

4 No person shall do anything to damage or disfigure the stand posts or Platform or to obstruct the free flow of water from the Platform

5 No person shall water any animal at any public stand pipe or cistern except at places Prescribed by the municipality for that Purpose by notices posted there at

6 No person shall obstruct any other person taking water from any public stand pipe, ~~cistern~~ cistern trough or bhistis Service

7 No person shall ~~sh~~ into or within 10 feet of any public stand pipe cistern, trough or bhistis Service

8 Every owner or occupier of any premises through which a Pipe to Connection passes shall at times give the President and all persons bearing a written authority in this behalf from the President ~~access~~ access to such premises so far as necessary for the purpose of inspection of the private Connection and every reasonable facility may demand for such Purpose Provided that due regard be paid to Social and religious Prejudices of the occupier

9 The President may from time to time by public notice Prescribe hours between which the private Connections of the Several locality are to be stopped Provided that except in the case of urgent Public exigencies, such stoppage shall not be Prescribed for more than 16 hours in the day

10 The President may at any time stop or cut off a private Connection in any of the following events without any prejudice to the right of the Municipal Council to recover the arrears or the cost of cutting off and restoring the Connection

(1) ~~In default of~~ payment of water rate or other Charges in respect of the Private Connection within 15 days of the date of the Presentation of the bill till all arrears are paid

(2) in the case of breakage or damage to Pipes or of defects in the Private Connection till the breakage damage or defect is made good to the Satisfaction of the President

(3) In the case of waste of water till means are taken to the satisfaction of the President to prevent the re-occurrence of such waste

4 In case of the connection being without the permission of the President extended beyond what is shown in the sanctioned plan until the extension is cut off.

5 In any case of the broken pipes or fittings causing loss of water likely to cause damage to property when such notice as may be possible shall be given

6 In any case of refusal to allow the President or his authorised officer to enter on any land or buildings for the purpose of Service Pipes fittings etc

Provided that the President shall immediately on taking such action give the owner of the private Connection written information thereof

11- The President may after due notice at any time temporarily stop all or any of the Private Connections when it appears to him necessary to do so in the interests of the public

12 The President of the municipality shall have the power to stop or reduce the supply in any public main or, sub-main for repairs or renewals without any notice But when stoppage is over an extensive area or is due to exigencies which can not foreseen such previous notice as is possible under the circumstances will be given by General "Tom" Tom"

13 Private Connections may be sanctioned by the President only on the application of the owner of the Property or his authorised agent, or occupier of the buildings with the written Consent of the owner, or in the case of private buildings, by the trustees or managers thereof

14 Until further orders Private house Service Connections will be limited to houses paying house tax not less than Rs 7/ a year in localities where a supply can be given without detriment to District Services Provided there are facilities to make proper arrangements for drainage off the waste water to public drains

15 For houses taking $\frac{1}{2}$" Connection a maximum of two taps may be given and for the $\frac{3}{4}$" three taps may be given. A fee of Rs 1-8-0 for each $\frac{1}{2}$" connection and Rs 2/ for each $\frac{3}{4}$" Connection will be charged per month

16 Connection for non-domestic purpose such as factories building purposes, hotels etc shall be charged at such rates as may be fixed by the President from time to time

17 Service pipes to private Properties shall be laid only by Plumbers duly licensed by the Executive Engineer

The final connection between the private Connection Service pipe and the public water main shall not be allowed until the work is inspected and passed by the Executive Engineer or his authorised representative

No alteration or extension should be effected without the sanction of the President and such work shall be carried out only by the licensed Plumbers. Repairs may however be carried out by owners of property after giving intimation to the President of the Municipal Council of the nature of repairs to be done and obtaining his permission

18 The President or his authorised officer may at all reasonable Time, and with the permission of the owner or if permission be refused, after giving ~~[illegible]~~ hours notice, enter any premises in which there is a water Connection in order to inspect or examine or repair the same

19- The above bye-laws apply mutatis mutandis, to public Stand fountains which may be allowed to be erected at the expense of Private individuals for dedication to public use

20 Any person infringing any of the bye-laws from 1 to 8 inclusive shall be liable to be punished with a fine not exceeding Rs 50/- ~~the President of the Municipal Council after due enquiry in connection before a magistrate~~

21 On failure to pay up the fine imposed or even prior to it the President shall have power to ~~[illegible]~~ Prosecution Proceedings against the individual for any infringement of bye-laws 1 to 8 inclusive and shall on Conviction before a magistrate be liable to fine not exceeding Rs 100/-
